ABOUT US

Athletix Kidz is a play base programme providing enthusiastic coaches that deliver sessions involving: running, jumping and throwing activities whilst having lots of fun. Athletics forms a large part of any fundamental movement which is a great platform for all sports going forward.

Our Academy is aimed at children between the ages of 7 – 10 years old. These classes are focused to give your children a head start for when they join their local athletics clubs or to simply improve on certain areas that will allow them to flourish in other sports too!

OUR SERVICES

- Weekly Classes
- Holiday Camps
